POOL SERVICE FORM 2017

The following is a list of services available from **Pool Mates Pool & Hot Tub Inc.**, for openings, closings and ongoing maintenance of your pool. Please indicate and return the attached form with which services **Pool Mates** can perform for you in 2017. To help us facilitate a busy spring season, please return your form as soon as possible in order for us to schedule your service.

Please note: It can take up to 10 days from cover removal until pool is clean, heated (if nec.) and ready to swim.

COVER REMOVAL: \$329.00 + HST

- Drain and Clean winter Cover, prepare for summer storage
- Remove all leaves and other garbage into bags for pickup and take to street
- Clean waterline and coping
- Power wash deck
- Test the pool water
- Replace all deck equipment
- ****Additional charge for excessively leaf ridden pools****
- ****\$25.00 extra for pools 18x36 and above****
- All chemicals and any needed parts to be charged separately
- For spillover spa add \$75.00 + HST

COVER REMOVAL WITH SYSTEM START UP/SYSTEM START UP WITH VACUUM

Cover Removal & Start up only: \$375.00 + HST

Cover Removal, Start Up & Vacuum \$425.00 + HST

- Start up the system
- Check & tighten all connections within the pump/filter/heater system
- Skim and brush pool
- Test the pool water
- Chemicals as required to balance water (to be charged separately as required)
- Thorough vacuum of pool where ordered (note that the first vacuum of the season will normally get 85-95% of the debris but in most cases a second vacuum will be required once the water settles from skimming and brushing)
- ****Additional charge for excessively leaf ridden pools****
- ****\$25.00 extra for pools 18x36 and above****
- For spillover spa add \$75.00 + HST

HEATER START UP: \$130.00 + HST

- Service to include: Safety and efficiency testing, cleaning and lighting of heater
- Any additional repairs, additional labour replacement parts will be charged separately as necessary.
- Heater service will follow usually within 48-72 hours of pool being started up

POOL SERVICE FORM 2017

WEEKLY VACUUM CALLS: \$69.99/HR BI-WEEKLY VACUUM CALLS: \$79.99/HR

This weekly/bi-weekly service includes the following:

- Skimming and cleaning the surface of the pool and waterline,
- Vacuuming the pool
- Testing and adjusting of chemical levels
- Filling automatic chlorine feeders
- Cleaning skimmer and pump baskets
- Back washing of the filter.
- All chemicals and parts supplied will be invoiced in addition to the weekly/bi-weekly vacuum charge.

VACATION/SHORT TERM VACUUM CALLS: \$89.99/HR

This service provides a short term (i.e. vacation) or one off vacuum call. This call is for those customers who are **not** part of our weekly service program. It is possible that more than one call will be necessary to get your pool clean.

- In the spring, this service is usually performed within a couple of days of the start-up.
- During the summer, this will make sure your pool is maintained while you are on holidays.
- All chemicals and parts will be invoiced separately

POOL CHECK \$49.99

This service will provide a chemistry check, adjustment if necessary and we will empty the skimmer and pump baskets. This service does not include skimming, backwashing, filter cleaning or vacuuming. All chemicals used will be billed separately to the pool check.

COMPLETE WINTERIZING: From \$329.00 + HST
(includes up to 20L of chlorine)

- Includes lowering of the water level,
- Uninstalling deck equipment (if applicable)
- Adjusting chemical balances if necessary
- Blowing out the lines, winterizing the heater, pump, and filter
- Adding chlorine and algaecide
- Install the winter cover. We do a 15-20 minute vacuum of the pool but if a more extensive cleanup is required, an additional surcharge will apply.
- All chemicals and any needed parts to be charged separately
- **\$25.00 extra for pools 18x36 and above**
- **Additional charge for excessively leaf ridden pools**
- For spillover spa add \$75.00 + HST
